THIS IS UNEVALUATED INFORMATION 25X1

1. There are approximately five thousand Greek partisans in the Rakovski district (Dimitrovgrad) working on a large power plant, a cement factory and other projects. A large group of Russians are in the area posing as civilian technicians but actually training Greek partisen operations.* 25X1
2. The 9 Regiment and Second Army Staff are stationed in Plovdiv; 44 Regiment is at Kerdzhali; and 2 Engineer Regiment is at Stara Zagora. The 8 Tunja Division is located at Haskovo. At Stara Zagora there also is a special guard unit called Svetkavitsa Gvardi.

Comment: The figure of 5,000 partisans in this one area seems exaggerated in the light of other intelligence reports indicating the removal of many Greek partisans to other satellite countries. reports the removal of 400 partisans from Dimitrovgrad leaving only 200 working at the cement factory there. 25X1
